

BEHAVIOUR IN CASE OF FIRE

Techno-Z Campus 2-4

Fire Alarm System

Every Campus building is equipped with a fire alarm system. Smoking is strictly forbidden in every building.

In each Campus building, **fire extinguishers and fire blankets** are located on every floor.

Please inform yourself about the **location and handling of the fire extinguishers** when moving in.

Alert

1. Close the door where the fire is located.

2. Keep calm and report the fire: call the **Fire Department 122** or use the **fire alarm system**.

3. Inform the Techno-Z technicians: **+43 664 35 22 693**

Evacuate

1. Evacuation is more important than fighting the fire!.

2. **Leave the building** using the direct route. Follow the marked escape routes. Do NOT use the elevators. Close the doors.

3. Go to the **gathering place** and follow the instructions of the security personnel.

4. In case the **exit is blocked** by smoke, shut your door and stay in your apartment. Make yourself visible at the window and wait for the fire department.

Extinguish

Start fighting the fire with the fire extinguishers or the fire blankets provided on every floor.

Handling Fire Extinguishers

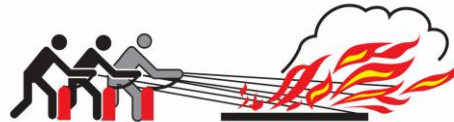

Tackle the fire in direction of the wind **from below**.

Surface fire:
Begin to extinguish the fire starting at the front.

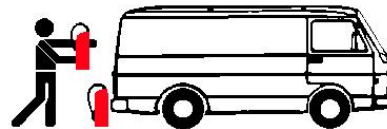

If possible use **several fire Extinguishers at the same time** -
Not one by one.

Be careful with **reignflammation!**

Do not hang **used extinguishers** where they used to be.
Lay them on the floor!
They will need to be refilled.

Inform our technicians immediately after using a fire extinguisher.

- Mon-Thur: 08-12:30 am und 01:30-05 pm, Fri 08:30-12:30 am: **+43 662 45 48 88 299**
- Outside our office hours please call the emergency number: **+43 664 35 22 693**
